

THE CORPORATION OF
THE TOWN OF DEEP RIVER

Construction Notice

Due to the construction on Ridge Road and Beach Avenue, from time to time it will be necessary to shut off the water system to make new connections.

This will create rust-coloured water in the system. If you have rust-coloured water, please run your **COLD WATER TAPS ONLY** until the water runs clear. (Suggested taps: bathtub or laundry tub).

PLEASE DO NOT USE YOUR HOT WATER until you have clean running water again.

Construction is scheduled to be complete by September 30, 2010. We apologize for any inconvenience this may cause and ask that you bear with us. If you have any questions, please contact the Public Works Department at 613.584.2000, ext. 107
